Mann Ki Baat

Dear Fellow Rotarians and R'Anns

Greetings !!!

It is my proud privilege to be part of Rotary & one of over 13 lac world citizens in the family of Rotary. We are all connected through this organization with a common goal of serving the community while doing fellowship thus creating and furthering concept of universal brotherhood.

It is really nice to see people from different walk of life like Businessmen, Doctors, Engineers, Lawyers, Officers, Farmers etc. coming together to join hand in providing the society its needs; be it collecting and providing blood in time of need or help in eradication of polio or rising to help distress people during the time of natural calamities.

The list of work is endless and its well represented by the Rotary logo "Wheel". The wheel denotes liveliness, progress and continuity while Rotary four-way test supports the idea of remaining the truthful and act for common cause in our day to day life.

Many congratulations and compliments to "Rotary Club of Rewari Main" for their continuous efforts to serve the society. Their progress in last couple of years is really remarkable and deserves a applaud.

All the best to the new president Rtn. Arun Gupta and his team for their all endeavors towards common cause of society. I hope they will continue to scale newer benchmark and set the bar very high for the future leaders of their club.

Regards

Rtn. Ravi Gupta
