Wishes from AG Zone 14

Dear Fellow Rotarians and R'Anns
Greetings !!!

I want to thank DG Rtn. Vinay Bhatia for giving me opportunity to serve Rotary as Assistant Governor for Zone -14 this year. Authority comes along with responsibilities as well. I will keep myself responsible for bringing best projects from my zone-14 and for delivering value to society. But, I need the support from my home club and other clubs of Zone-14 for touching new landmarks. I really hope that each club will do its best for this year and make me achieve my goals.

I must say, every person who joins rotary should understand the essence of being a Rotarian. He / She should feel the Rotary spirit from the depth of the heart and can inspire others to do so. We all should act as an inspiration for others to make them work for social cause.

Let's join hands do good and strive together to be an inspiration for others.

Regards
Rtn. Naveen Arora
Assistant Governor – Zone 14

Dear Fellow Rotarians and R'Anns

Greetings from Rotary Club of Rewari Main!

An honor which also comes with a lot of responsibility. Rotary has made me passionate about three "C"s in life-Charity, Celebration and Communication. This post gives me the opportunity to fulfill my passion of giving back to the society and serving the needy, enjoying entertaining programs and enhancing fellowship with club members and other Rotarians.

I assure you that during my tenure, my team and I will use all our knowledge, resources and time to make 2018-2019 a memorable year for all our club members and take our club to new heights. I have no doubt in my mind that our team will continue to receive your support through your presence and participation in all club programs.

Let us enjoy this year with lots of fun and fellowship. Let's serve together and become an inspiration for others.

Regards

ROTARY CLUB OF REWARI MAIN

From Secretary's Desk

Dear Fellow Rotarians and R'Anns
Greetings !!!

It is indeed an honor to be selected as the Hony. Secretary of the most distinguished and happening club of RI District: 3011. I am thankful to Rtn. Sunil Thakral for selecting me for this position and for placing trust & confidence in my abilities.

As we starting with new Rotary Year, My request to all Rotary family members to recall the reasons you first joined this club. There must be common answers from everyone. Either you have joined for fellowship or to engage yourself in community service. Whatever reason you might had that time, Each Rotarian shares in a deep commitment to 'Service Above Self'. This idea has drawn clubs in every corner of the world and binding 1.3 million Rotarians in one knot.

Rotary is an exceptional organization whose members do extra ordinary things every day but we should let society be informed about that and acknowledge that. Keep talking about Rotary in your circle, encourage establishment of your club as a brand in your society. After that, getting more members will be most simple task because people will join you after seeing your work and you need not to approach them to join club.

In short: let's get it done! This is the time to deliver! THIS is the place to commit. And yes there are many things to do in the society. But it is up to us to prioritize them and work on them. Working together, our club can leave a meaningful mark this Rotary year.
