Mann Ki Baat

Dear Fellow Rotarians and R'Anns

Greetings from RC Rewari Main!

We are happy to release the September edition of our club's bulletin.

We did several important activities in the month of September especially the installation ceremony got held this month at Golden Tulip Resort, Bhiwadi. District Governor Rtn. Ravi Choudhary Ji was available as chief guest during the installation ceremony. Lot of sustained projects were done by the club in past years for the welfare of society and we provided him all the details about those.

He praised all the sustained projects which our club did in last couple of months and he also convey his thanks to all the past presidents to bring this club in such a position that today this club is having a special place in the hearts of public of Rewari.

We are in process to sponsor a Rotaract club and we will guide them till they get stable and start doing service projects independently especially for TEACH which is one of our prime area of focus.

Dear Fellow Rotarians and R'Anns

Greetings !!!

It is indeed a matter of joy that we are releasing the September edition of our monthly E-Bulletin.

We are happy after reading the comments from the public that they like our E-Bulletins. Through this paperless effort we are putting our small contribution towards saving the trees.

This month was very important for the club as we had our Governor Official Visit this month. Rtn. Ravi Choudhary Ji was available during the GOV and we have provided all the requirements in very systematic format and as per the GOV checklist. He appreciated our effort multiple times and congratulated us for completing the GOV successfully.

WINS is our prime area of focus and under the direction of district team we have started doing surveys in various Govt. Schools of Rewari to calculate their needs. Based on the surveys we will work with district for providing clean water, toilets, hand washing, water cooler and RO facilities. Initially, we are taking 14 schools under consideration.
